I am a Advanced Class operator first licensed in 1982 and  
also hold a General Class Radiotelephone license. In the  
Northeastern part of Michigan one of the first packet  
stations to go on the air. At present I operate a packet  
bulletin-board.

I have attempted to gain access to unattended operation. The  
ARRL has made it impossible for this station to get a "STA".  
Do to some station limitations I can only access the 40M  
amateur band efficiently.

Before the commission is a chance for any amateur to
